DRINKING FOUNTAINS FOR CITY SCHOOLS

SCHOOL TRUSTEES ACCEPT JOINT ACTION FROM MOTHERS' CLUB—WILL ADD TO IT ENOUGH TO INSTALL

Five Pretty Fountains

There Will Be Two at the Central School and One Each at the Other White Schools of the City—Splendid Work of Noble Women.

There was a special session of the city school board held last evening at the Board of Trade rooms, at which were present President W. C. Campbell, Vice President F. C. Eason, Secretary Sterne, A. B. Hodges, W. M. Hamilton and Prof. Walker King.

The meeting was called to accept the funds tendered by the Mothers' Club, with which to buy drinking fountains for the schools.

The secretary read the following letter:

To the President and Members of the School Board of the City of Palestine.

Gentlemen:—At the last meeting of the Mothers' Club, held on February 26th, it was decided, on motion, to request your honorable body to install one iron drinking fountain at

A baby was born

in Ohio a number of years ago and Mrs. Wade, the mother, said to the proud father: "Let us give this child a start in life. Can we put aside a dollar weekly? I think we can. We will try." For years this was done. At the age of twenty-one young Wade had sufficient money to purchase an interest in a small but growing business. This same Mr. Wade lived to be president of the Western Union Telegraph company. The foundation of his entire fortune was the \$1.00 a week started by his good mother. This is merely a suggestion, but it is astonishing how fast money accumulates if one lays aside a definite amount weekly. Make the start now.

each of the white schools. This organization has in its treasury \$256, and it is our desire that you draw on us for a sufficient amount to pay for the fountains. We leave it to your judgment to select what is most suitable and respectfully urge that you get these fountains and place them at your earliest convenience.

Mrs. R. M. Hutchinson, Pres. Mrs. Walker King, Cor. Sec.

By unanimous vote the amount was accepted, with thanks, and Mr. Hamilton was designated to write the good women a letter thanking them for their splendid donation.

After discussion and examination of designs, etc., it was voted to purchase and erect two fountains at the Central building and one each at the other white schools, making five in all, it being decided the amount contributed would pay for five, and it was also voted that the school board pay for the installing of these fountains. On motion a committee of two, composed of Trustees Eason and Davidson, buy these fountains through Messrs. Dille & Son, and that they be installed before the beginning of the next session of school.

The ladies composing this most worthy club have done exceedingly well in collecting this amount for this purpose, and these fountains will stand as a monument to their devotion to the schools, and for their love of Palestine school children.
